

University Sin Fronteras Atlanta Campus

Feb 2013

As we welcome the **LIBERATION SPRING SEMESTER 2013**, the University Sin Fronteras Board of Directors recognizes the valuable partnership with Project South and the valuable work of the Atlanta Campus committee. The Atlanta campus of UNSIF has contributed greatly to the overall success of UNSIF in 2012.

I propose that we set up a meeting of the Atlanta Campus committee as soon as possible next week Wednesday, **February 27th at 6:00 PM at Project South**. Please confirm your assistance in order to get a count.

The purpose of the Atlanta Campus committee meeting is to work on the details of the upcoming LIBERATION SPRING semester and to get the flyer on the course out and get people to start registering for the course(s).

The Course that was identified was on Music and the role in social change (not exact title) looking at Blues, Jazz and Hip Hop. The course, I recall was set for 6 weeks. Additionally, a course will be provided for the Project South Staff on 'Theory of change'. A seminar is planned on Palestine Liberation (tba).

Let's get together to plan and also envision how the Liberation Spring will lead into the FREEDOM SUMMER semester.
