

## UNIVERSITY SIN FRONTERAS SAN ANTONIO CAMPUS

FEB. 2013

WELCOME,

The board of Directors, and all of the UNSIF community, welcomes San Antonio, Texas as a campus of the University Sin Fronteras. ([www.unsif.org](http://www.unsif.org)). The organizing meetings that took place in January and February of this years already marks a pace of development and organizing of the Campus Committee. As the SAT Campus Committee (UNSIF), you outlined some proposals for the upcoming LIBERATION SPRING SEMESTER, including the following, Organizing a COURSE with the following classes as suggested:

1. Decolonize! (from Colonialism & to Liberation)
  2. Emancipatory education
  3. Tex-Mex Revolutions (Historiography)
  4. Revolutionary Corridors (A critical cultural analysis)
  5. Collective Synthesis (What did it all mean?) documented
- Synthesis (collective meaning of the course)
  - Planning for FREEDOM SUMMER SEMESTER
  - Added SAT Campus Committee members (volunteer)

This would mean a COURSE of five (5) classes, with the last class broken into one hour collective synthesis, and the other hour to plan FREEDOM SUMMER SEMESTER. The suggested timeline for the course is to announce the course after March 12<sup>th</sup> meeting. Registration can go from March 13<sup>th</sup> to April 2<sup>nd</sup>. The Course's first class would start on Aril 2 (Terrific Tuesday) from 6-8 PM (or other designated time), and would contain four classes and the synthesis as the fifth class.
